

NMDA meeting July 13, 2022

Call to meeting: Maribeth St Cyr/President, John Collins/ VP, Diana Corbin/Secretary, Amy Glenn/Member-at-Large, Cindy Kavan-Winfield/Education Chair

Discussion of minutes and the board approved the amended minutes.

Cindy shared that our clinician Rachel Saavedra is sick and the clinic this weekend might be cancelled. We will make the call tomorrow after her dr's appointment.

Question was raised about volunteer hours at shows. If hours could be used for clinics and shows. This was affirmed. Also Cindy suggested that volunteers sign waiver/disclaimer for protection of the club and also a great way to keep track of their hours.

The last two schooling shows were:

Stanley Cyclone Center in June: Made \$1,195.00. Venue was \$250, judge was \$470 and because we had to switch judges at the last minute the flight was \$500. Lost \$25

July show at Cherry Tree: \$1010.00. Venue was \$300, judge-213.92. Lunch-62.00 For a profit of \$434  
We also made 144.00 at the tack swap.

The next show will be August 21<sup>st</sup> at Cherry Tree. The judge is Stacy Williams.

The website has some wonderful updates from Harold and looks great!

Keely joined the meeting

The treasurer's report from Keely is:

General fund: 14,394

Ed fund: 4,164

CD: 6,181

Total: 24,739

It was decided to roll the CD into the general fund for now, so it would gain more interest and be more accessible.

Interest was shown about putting on a rated show next year. Looking into what all this would entail with the changes USDF has established in the past few years.

Nominations are up this year for President, Vice President and Member-at-Large.

Cindy will put out an email looking for nominations by August 1<sup>st</sup>.

Social events were discussed and looking into a venue in Corrales for a mixer and cocktails.

Cindy moved to adjourn. Maribeth second it.
