Susan's report

Would like to do a braiding clinic, she has a sponsor for food at the clinic.

A proposed partnership with 4-H is still on hold as the arena in Stanley is still closed.

Susan, as the representative for The Dressage Foundation, proposed that the entry fees for one of the tests at the next schooling show be donated to TDF. A discussion occurred around which test would be donated. It was decided that Training 3 entry fees be donated to The Dressage Foundation.

In other new business, we discussed having the Annual Membership meeting at Maribeth's house as a Potluck BBQ sometime in September.

We also discussed whether we want to replace our personal emails with the clubs email address on the website or not.

Meeting adjourned at 230pm
