The May show sign ups are opened and the deadline is May 22nd, for show and ride/re-ride clinic.

June 30th we will have a social get together at Maribeth's house 6:00-8:00. We will be having finger food and it is optional if members want to bring something to share or not.

Emily Esterson joined meeting and proposed that the Eventing community combines with NMDA. This would entail us to transfer ownership of jumps at Boca Negra and their maintenance to our club. Concerns were discussed about insurance, changing of by-laws, fees to keep maintenance of the Boca Negra jump course up to standards. Maribeth will attend a meeting on Zoom with the Eventers. And we will continue conversation at a later date.

Meeting moved to adjourn by Sarah. Amy seconded it.
