I talked to Jill Chamblin who handles membership for USDF and we currently have a credit of \$46.00 carried over from the 2020 membership year. She also asked me to upload the NMDA logo to use on the USDF website for our web page award. Did that today. November 10th.

I just submitted our initial 2021 roster to USDF. We have 24 members, which includes 23 individual members and 1 supporting (family) member.

Addl news:
