Youth Chair-Braiding clinic had kids from 4H and from NMDA, all had fun learning to braid and there were enough horses to go around.

The 4H kids are interested in a WD clinic given at their arena. They are working on the footing at that arena and if we wanted to do a show there we could without charge. It's a nice venue with good parking and bathrooms.

Schooling show report, we made \$400 profit on the October show. We also made \$100 for the education fund from the tack swap.

A discussion ensued regarding next year's schooling shows.
