

New Mexico Dressage Association Board Minutes

April 8, 2026

Call to order: Maribeth St Cyr-President, Kim Fredenburgh-VP, Amy Glenn-Member-at-Large, Cindy Kavan-Winfield-Education Chair, Cel Cox- Partner Club Liaison, Diana Corbin-Secretary, Laura Pulliam-Treasurer,

Maribeth shared that we are cancelling the upcoming show, there were not enough entries. July show is also cancelled because the judge had another opportunity. At this point we have 4 entries in the rated show. The cut off for this show is the 20th. She will send out some blasts to help bring in more entries. Kim suggested that we put out more social media posts to help with low attendance.

Diana asked if Fathom Minutes are a resource that we can use for official documents for the monthly board minutes. Maribeth said as long as the minutes are accepted by the board they can be posted. She double checked the by-laws and came back with that is all seems good. If there is a member who questions it, they can invoke Robert's Rules of Order.

Laura shared that \$11,968 in the General Fund and \$5,400 in the Education Fund

She will update Google Excel and do taxes soon. She will get with Maribeth this week to get this done.

Cindy shared that she has gotten the information for Janet Foy Clinic out. She is working on a list of volunteer jobs that are needed. If anyone volunteers, then it is free auditing for that day. Laura is getting the contract tomorrow from the Post Office.

Cel shared that she just scribed for the Arab Show. It was at the Expo and had good footing. It was a full show. She needs to know how many first-place prizes she needs to bring to the rated show. Maribeth will get back with her on this.

Sarah sent in that we have 55 members.

Kim asked if the Zia was a partner show. It was said that it really doesn't matter how many partner shows we have because that they can only use one score from a partner show. She will get that on the calendar.

Kim shared that we need to change the verbiage on Standing Rules to:

Regarding USDF and partner shows, if a test is ridden more than once, only the first test score ridden counts towards year-end awards.

This will go on page 9 in the Standing Rules about Year-End Awards.

Cindy made a motion to vote on accepting this new language. Cel seconded this. All approved this.

Cel shared that the vendor who was coming to the rated show cannot make it.

Cindy moved to adjourn. Diana seconded it.
